

STRODE FARM, LOWER HERNE ROAD DEVELOPMENT

PUBLIC EXHIBITION

5th October 2021 | 4.00pm to 7.30pm

Herne Centre (Main Hall)

School Lane, Herne, CT6 7AP

You may have seen our previous flyer or site notices that would have highlighted that the detailed development proposals for the site at Strode Farm are now being brought forward by a joint venture between Countryside Properties and Places for People.

A public exhibition has been organised on the 5th October to provide local residents with the opportunity to find out further information about the proposals and ask questions to the team behind the development.

The exhibition will be available to view between 4.00pm and 7.30 pm in the Main Hall at the Herne Centre, and you are welcome to come along and view the material on display and ask questions of the team.

Image shows location of the Herne Centre

If you would like further information about these proposals now, or are unable to attend the event, then please do visit the project website at www.strodefarmdevelopment.co.uk
